Southwest Florida Regional Partnership

Memorandums of Understanding, Letters of Support, and Resolutions of Support

About the Southwest Florida Regional Partnership

The Southwest Florida Regional Partnership is a growing partnership of more than 200 organizations representing the diverse population, interests and geography of the seven-county region. Partners and supportive organizations include county and city governments; regional planning councils; individual businesses and business associations such as chambers and economic development organizations; workforce development agencies; the region's transportation planning organizations including the metropolitan and transportation planning organizations, Florida Department of Transportation, Miami-Dade Expressway Authority, and South Florida Regional Transportation Authority; public and private universities; colleges; school boards; leagues of cities; housing authorities; community redevelopment agencies; health planning organizations; state agencies; water management districts; urban leagues; human services alliances; community foundations; civic associations; environmental and smart growth advocacy groups; public health organizations; community-based groups; and cultural and arts councils.
