June 18, 2010

Mr. Joseph Scuotto, Chair  
South Florida Regional Planning Council  
3440 Hollywood Boulevard, Suite 104  
Hollywood, FL 33021

Dear Mr. Scuotto,

Thank you for your letter sent to my office during the recent 2010 legislative session regarding offshore drilling in the State of Florida. I appreciate you taking the time to share your thoughts and information with me.

The Florida Legislature is currently focused on helping our State recover from the recent Gulf oil spill and is looking at ways to aid Floridians affected by this tragedy. My colleagues and I want to examine all issues associated with the spill in order to fully understand what happened and why it happened. Should the Legislature ever address oil drilling in the future, clear measures must be in place to keep this from happening again. To accomplish this, we are committed to carefully examining the facts as they come in and acting in the best interests of our communities. Your offer to assist and work together on this issue is much appreciated. Our communities can use all the help they can get, and I will be sure to keep your information on hand to continue as we address the matter.

Again, thank you for taking the time to contact me on this issue. As always, please do not hesitate to call on me if I can ever be of assistance to you.

Sincerely,

A handwritten signature in black ink that reads "Mike Haridopolos".
