The Commons Development of Regional Impact (*fka Davie Commons*)  
Broward County, Florida

Dear Ms. Kerr:

Our office received and reviewed the above referenced project in accordance with this agency's responsibilities under Section 380.06, *Florida Statutes*. The State Historic Preservation Officer is to advise in the identification of historic properties (listed or eligible for listing, in the *National Register of Historic Places*), assess effects upon them, and consider alternatives to avoid or minimize adverse effects.

We have been asked to provide an updated letter for the referenced project. A review of our files indicates that this office has previously reviewed this project area in 2002 (DHR # 2002-3730). It was our opinion that based on the information provided, the proposed project will have no effect on historic properties.

Therefore, if there are no changes in the project boundaries, then, it is the opinion of this office that the proposed project will have no effect on historic properties.

If you have any questions concerning our comments, please contact Scott Edwards, Historic Preservationist, by electronic mail [sedwards@dos.state.fl.us](mailto:sedwards@dos.state.fl.us), or at 850-245-6333 or 800-847-7278.

Sincerely,

*for*
