

QUESTION 8 - PERMIT INFORMATION

8. *List all agencies (local, state and federal) from which approval and/or a permit must be obtained prior to initiation of development. Indicate the permit or approval for each agency and its status. Indicate whether the development is registered or whether registration will be required with the Division of Florida Land Sales, Condominiums and Mobile Homes under Chapter 478, Florida Statutes. Indicate whether the development will be registered with the H.U.D., Division of Interstate Land Sales Registration or with other states.*

Building permits are required under the Code of Ordinances for the City of Lauderhill, Section 6-6. Platting of the property will be required pursuant to both the Code of Ordinances of the City of Lauderhill and the Code of Broward County Florida. The required permits are listed below. None of the permits have been applied for at the time of submittal. Registration will be required with the Division of Florida Land Sales, Condominiums and Mobile Homes. The applicant anticipates that the proposed development will be registered with H.U.D., the Division of Interstate Land Sales Registration and perhaps some other states.

- Platting pursuant to Article IV Section 6.12 of the City of Lauderhill Land Development Regulations and Section 5-186 Broward County Code.
- Building permits are required under the Code of Ordinances for the City of Lauderhill, Section 6-6.
- An environmental resource license is required pursuant to Section 27-66 of the Broward County Code.
- Additional environmental permits required by Chapter 27 of the Broward County Code are:
 - Surface water management license
 - Dredge and fill
 - Parking facility license
