EXISTING LEVEL OF SERVICE:

ADOPTED LEVEL OF SERVICE STANDARD:

LEVEL OF SERVICE AFTER PROJECT BUILDOUT:

- A. Describe the recreational facilities and open space (including acreage) which will be provided on-site. Locate on Map H. Identify which of these areas or facilities will be open to the general public.

Broward County and the City of Coconut Creek emphasize the inclusions of recreation and open space in any new development. There will be lakes, open spaces, pedestrian areas, and plazas. The site is located within the City's MainStreet District and unique open space will be provided throughout the project.

- B. Will the development remove from public access lands or waters previously used by residents of the region for hunting, fishing, boating or other recreation uses? Specify.

No.

- C. Will parks and open space be dedicated to the city or county? If not, who will maintain the facilities?

No, the developer will maintain the facilities.

- D. Please describe how the proposed recreation and open space plan is consistent with local and regional policies.

Broward County and the City of Coconut Creek emphasize the inclusion of recreation and open space in any new development. There will also be lakes, open spaces, pedestrian areas, and plazas. The adopted level of service for recreation and open space in the City of Coconut Creek is 3 acres per one thousand residents. Based upon the City's Comprehensive Plan, the City currently retains sufficient recreation and open space to meet the City's short and long term needs.
