

25. POLICE AND FIRE PROTECTION

- A. If police/fire services, facilities or sites will be dedicated or otherwise provided on-site, describe them, specify any conditions of dedication and locate on Map H.**

Neither police nor fire facilities are contemplated on site.

- B. Provide correspondence from the appropriate providers acknowledging notice of the proposed development and phasing, and indicating whether present facilities and manpower are capable of serving the project or specifying the additional manpower/equipment necessary to serve the development. If the provider is from another jurisdiction, the letter should also identify any non-facility-related problems in providing said service.**

Appendix 25-1 contains letters from the appropriate agencies indicating the availability of their services.

Re: Riverbend DRI Broward County - #06221

Dear Ms. Venanzi,

We have reviewed your request regarding the provision of police services at the proposed Riverbend Development project as described in the documents you provided (DRI Plan). This letter is to inform you that the Fort Lauderdale Police Department is a fully accredited police agency. The Department has adequate staffing to provide complete law enforcement services to both the residential and commercial interests of the Riverbend Development project.

Sincerely,

Franklin C. Adderley
Chief of Police

RE: Riverbend DRI Broward County - #06221

Dear Ms. Venanzi:

This is to confirm the City of Fort Lauderdale Fire-Rescue Departments' ability to serve the Riverbend project, which is currently in the planning process of development in the City of Fort Lauderdale.

Fort Lauderdale Fire-Rescue has sufficient fire stations, equipment and personnel, as well as automatic aid agreements with adjoining cities for this purpose.

Sincerely,

James R. Eddy
Fire Chief
