RE: DHR Project File No.: 2008-0278  
Received by DHR: February 7, 2008  
Development of Regional Impact  
Riverbend DRI #06221  
Broward County

Dear Ms. Shreffler-Bogart:

Our office received and reviewed the above referenced project in accordance with this agency's responsibilities under Section 380.06, *Florida Statutes*. The State Historic Preservation Officer is to advise in the identification of historic properties (listed or eligible for listing in the *National Register of Historic Places*, or otherwise of historical or architectural significance), assess effects upon them, and consider alternatives to avoid or minimize adverse effects.

Our review of the Florida Master Site File indicates that no significant archaeological or historical resources are recorded within the project area. Furthermore, because of the location and/or nature of the project it is unlikely that any such sites will be affected.

For any questions concerning our comments, please contact Eric Hamilton, Historic Sites Specialist, by electronic mail [eihamilton@dos.state.fl.us](mailto:eihamilton@dos.state.fl.us), or by phone at 850-245-6333 or 800-847-7278. We appreciate your continued interest in protecting Florida's historic properties.

Sincerely,

Frederick P. Gaske, Director, and  
State Historic Preservation Officer
