A Child Is Missing

FCHB1697

Program: A Child Is Missing

FCHB1697FPAA

The law enforcement calls ACIM with description and last known address of the missing person; the information is fed to the computer, the location is found, the telephone numbers are gathered and a recorded message is phone out. Best results are when the service is used in the first two hours of the person's disappearance; parents and caregivers call the office but preferable that the police are called first and a missing person's report is filled out
