\*\* Includes reported ancestries which are considered the same as names of race or Latino origin groups, such as Cree, Thai, Samoan, and Cuban.

\*\*\* Total ancestries tallied is the total number of people reporting each specific ancestry either first or second in their response to the ancestry question. For example, someone responding "Irish-German-Dutch" is counted in both the Irish and German ancestry groups, but the third response is not tallied. Total tallies can be greater than the total population, even though many people left this question unanswered. This is the only question the Census Bureau did not impute answers to for non-respondents.
