

Exhibit B

BISCAYNE BAY REGIONAL RESTORATION COORDINATION TEAM

OVERARCHING THEMES

THE ISSUES:

1. There's a need for a clearinghouse for information, management, and other activities regarding Biscayne Bay and its watershed.
2. There's a need for a unified voice consistent with the BBRRCT vision for Biscayne Bay.
3. There's a need for priority setting for Biscayne Bay consistent with the BBRRCT vision.
4. There's a need for a mobilizer/advocate for Biscayne Bay consistent with the BBRRCT vision.
5. There's a need for assessing and reporting the effects (positive and negative) of activities, both specific and cumulative, on Biscayne Bay.
6. There's a need to identify gaps, eliminate duplication, and resolve conflicts.
7. There is need for a readily accessible forum to express stakeholder views regarding Biscayne Bay.

THE OBJECTIVES:

VOICE

1. Maintain awareness of the Bay among agencies, policymakers and the public by advocating the Team's Vision. (clarify "advocate" through action steps)
2. Upon completion of the Action Plan and ongoing, elevate the importance of Biscayne Bay's restoration needs in regional planning.
3. Adopt a formal process to define what our unified voice should be.
4. Assess and report the cumulative impacts of activities on Biscayne Bay.
5. Assess and report the effects of specific activities on Biscayne Bay.
6. Evaluate and report the effectiveness of management and restoration actions on Biscayne Bay.

PRIORITY SETTER

7. BBRRCT will make recommendations to the Working Group consistent with the Team's Vision and Action Plan.
8. Complete and periodically update the Team's Action Plan.
9. Based on clearinghouse activities of the BBRRCT, make recommendations to address gaps, duplication and conflicts.

CLEARINGHOUSE

10. Upon completion of the Action Plan and ongoing, the BBRRCT will become a clearinghouse where agencies/organizations involved in or affecting the Biscayne Bay come to hear about what each other are doing in order to identify gaps, duplications and conflicts.
11. Upon completion of the Action Plan and ongoing, the BBRRCT will serve as a clearinghouse of information and activities in or affecting Biscayne Bay.
12. Upon completion of the Action Plan and ongoing, the BBRRCT will use clearinghouse information to educate public and policy makers about Biscayne Bay and related activities.
13. Upon completion of the Action Plan and ongoing, the BBRRCT will provide a forum for stakeholder views and opinions to be expressed regarding Biscayne Bay.
