ENVIRONMENT / STAFF INPUT**

**April 9, 2002**

**Key:** \* indicates comments by individual staffers/ § indicates comment by staff group

<b>Issue</b>	<b>Who Responsible</b>	<b>Is this Feasible</b>	<b>Existing Programs</b>	<b>Signs of Progress</b>
Maximize the natural environment	* Planning/Public Works			
Police enforcement of noise ordinances, including cars with loud radios at night (Clubs close at 5 a.m.)	*Miami Beach Police Department Code Police	Yes	Code is enforced by code and police	Yes
Reduce street noise	*Miami Beach Code Police	*Not likely		
Create a noise reduction ordinance between 11pm and 4am, Monday through Friday	* Miami Beach Code Police Legal Department City Commission	Yes, currently the Code Police enforce county ordinance reduced noise radio, phonograph, etc. between 11pm-7am	Yes, county noise ordinance, noise in same building (apartment, condo) generally not a violation -City ordinance should be re-written existing -Existing City ordinance is not enforced	Yes/No -not all noise violates the ordinance (see previous box)
Implement citywide or corridor recycling plan	*City Commission			
Provide more visible "pooper scooping" requirements, i.e. under every parking sign				
Provide poop receptacles in Corridor and West Avenue				
Address vagrancy	*Vagrants			
Provide better code enforcement	*Miami Beach Code Police	Yes	Funding for a dedicated officer
