Issue	Who Responsible	Is this Feasible	Existing Programs	Signs of Progress
Partnerships: i.e. Government and private enterprise partnership				
Provide adult education	* Miami-Dade County Public Schools			
Provide job training/job placement for low income, youth, and seniors				
Provide/ensure a well educated workforce	* Miami-Dade County Public Schools			
Provide technology center				
The city should inform the citizens of all these programs (job training, senior/youth services) through its magazine "Newsbriefs" and every weekend in the Neighborhood Section of the Miami Herald.				
Provide training in hospitality field	* Johnson and Wales University			
More information on where to go to get training.				
Create Miami Beach volunteer program that involves local businesses				
Involve local but countywide businesses with schools to fund training				
Give more job/occupational training to seniors				
Job readiness training/self-esteem/job opportunities/skill building/non-traditional careers
