***VIOLENCE AGAINST WOMEN ON CAMPUS
GRANT***

PHASE II: Implementation Phase

MISSION STATEMENT

The Violence Against Women On Campus Task Force at Florida International University is comprised of key university and community leaders committed to increasing safety by reducing violence on campuses everywhere. Our task is to address the specific problems of stalking, dating/domestic violence, and sexual offenses. We are dedicated to developing and implementing policy and procedures for a coordinated campus community response to violence against women¹.

Adopted as final on July 27, 2004

¹ The problems addressed by the Task Force are forms of violence traditionally perpetrated against women. Funds were provided by the U.S. Department of Justice, Office of Justice Programs, Office on Violence Against Women to prevent and respond to these forms of violence on campuses (Authorized by Higher Education Amendments of 1998 and reauthorized under the Violence Against Women Act of 2000). However, the policies and protocol developed will benefit all victims.
