MISSION STATEMENT WORKSHEET

*A Mission Statement should clarify a group or organization's purpose and indicate why it is doing what it does. It should be no more than two paragraphs although one is preferable. It can contain or make reference to core values.*

Answer the following questions:

1. Who are we? What is (are) our purposes?
2. In general, what are the social and political problems we exist to address?
3. In general, what do we want to do to recognize or anticipate and respond to these problems?
4. What are our core values?
5. What makes us distinct or unique?

Examine the answers to the prior questions and draft a Mission Statement.
