**MIAMI-DADE COUNTY**

**PERSONAL INCOME BY MAJOR SOURCE AND EARNINGS BY INDUSTRY (thousands of current dollars) 1/  
1970 TO 1999**

#	SOURCE OF INCOME	1970	1980	1990	1997	1998	1999
---	------------------	------	------	------	------	------	------

- 1/ The estimates of earnings for 1969-74 are based on the 1967 Standard Industrial Classification (SIC). The estimates for 1975-87 are based on the 1972 SIC. The estimates for 1988-99 are based on the 1987 SIC.
  - 2/ Farm income consists of proprietors' income; the cash wages, pay-in-kind and other labor income of hired farm workers; and the salaries of officers of corporate farms.
  - 3/ Census Bureau mid-year population estimates. Estimates for 1990-99 reflect state and county population estimates available as of March, 2000.
  - 4/ Personal contributions for social insurance are included in earnings by type and industry but they are excluded from personal income.
  - 5/ The adjustment for residence is the net inflow of the earnings of interarea commuters. For the United States, it consists of adjustments for border workers: wage and salary disbursements to US residents commuting to Canada less wage and salary disbursements to Canadian and Mexican residents commuting into the United States.
  - 6/ Rental income of persons includes the capital consumption adjustment.
  - 7/ Proprietors' income includes the inventory valuation adjustment and capital consumption adjustment.
  - 8/ "Other" consists of the wages and salary disbursements to U.S. residents employed by international organizations and foreign embassies and consulates in the United States.
  - 9/ Under the 1972 SIC, ordnance was reclassified to four 2-digit industries: fabricated metal products; electronic equipment, except computer equipment; transportation equipment; and instruments and related products.
  - 10/ Under the 1987 SIC, combined real estate, insurance, etc., was reclassified to four 2-digit industries: non-depository credit institutions; insurance agents, brokers and services; real estate; and legal services.
  - 11/ "Social Services" was first recognized under the 1972 SIC; so estimates for 1969-74 do not exist.
  - 12/ "Engineering and Management Services" was first recognized under the 1987 SIC; so estimates for 1969-87 do not exist.
- (D) Not shown to avoid disclosure of confidential information.  
(L) Less than \$50,000. Estimates are included in totals.  
(N) Data not available for this year.
