Strategic Regional Policy Plan for South Florida 2005 Council Priorities Housing Action Team Meeting No. 2 September 12, 2005

Welcome

Introductions

Agenda review

- Objective of Today's Meeting –Engage our strategic partners, refine and reach consensus on regional actions list and discuss the priority of the proposed action items. At the first meeting we created a list of specific actions. Today we will try to reach consensus on our proposed regional activities list and get some sense of their priority order.

SRPP activity to date – why has the Council asked you here today?

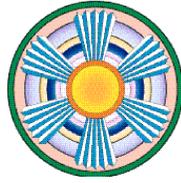

- Our Council members have identified the issue of Housing (Goal 6) as the major issue to be addressed and have stressed the overriding issues of increasing the housing supply, the need for a regional housing strategy and stressed the overriding issue the need to increase public awareness of affordable housing.
- Proposed regional actions are listed on the poster.
- We have asked you here to help us determine how to best put these actions into effect.

Team Discussion - Proposed regional actions to pursue Housing priorities

- Work from the poster.

Next meeting

- Staff will now further sort the suggested actions into priority groups and try to find actions that cross subject areas.
- We will prepare an item for Council consideration
