

## State Road 7 Masterplan – PAT Meeting # 2

Dear Project Advisory Team,

You are cordially invited to the second PAT meeting for the SR 7 corridor study from SR 90/US 41/SW 8<sup>th</sup> Street to the Golden Glades Interchange Park and Ride Lot.

In response to the corridor's issues discussed and identified during the first PAT meeting in January 22<sup>nd</sup>, 2014, the FDOT Project Team developed a series of strategies aimed to address such issues. The purpose of this second PAT meeting is, therefore, to review the strategies under consideration.

To assist with the discussion at the March 17<sup>th</sup> meeting, more information regarding the potential strategies will be provided through a separate email at least one week prior to the PAT meeting, and we will also ask you to complete a short survey regarding these strategies. Access to this survey will be provided via email as well.

This second PAT meeting will be held at a location within the SR 7 corridor; specifically, the Camillus House (1603 NW 7 Avenue, Miami, FL 33136), in the Community Room located on the 3rd floor. For your convenience, the attached map shows the location.

Thank you for your continued participation in this study, and we look forward to seeing you on the 17<sup>th</sup>.

Sincerely,

**Phil Steinmiller, Planning Manager**
